

December 1, 2009

committed to greening our schools and communities

Greetings!

In 2010, The 6th Annual GreenLeaf Run (formerly the LobsterCrawl Run), a 5 and 10K race, will take place on Saturday, June 26th, 2010.

There are many exciting changes to the Event, not just the name! This year, we will be a completely GREEN Event! Runners will be wearing something, Green, Recycled or Reused! There will be recycle and composting bins and a magazine drive, sponsored by Waste Management. Following the Race, the Kiwanis Club will be serving an Organic Pancake Breakfast! Also, added to the menu, an amazing organic farmers market, featuring local wines, organic produce, green educational information and much more.

This amazing Event supports The Greensprouts Foundation. Our mission is to provide kid-friendly resources to our schools, lending ideas and dollars to help kids live healthier lives in healthier environments. Our commitment is to helping schools help kids who will lead their generation into a more promising ecological future. Please join us in supporting our youth and our schools to GO GREEN!
